

James Ashby Statement

Friday, 11 January 2013

An Application by James Ashby seeking Leave to Appeal Justice Rares' decision of 12 December has been lodged today with the Federal Court.

An Application by Michael Harmer (Harmers Workplace Lawyers) also seeking Leave to Appeal Justice Rares' decision will be lodged Monday with the Federal Court.

Although there are many common grounds in the finding, Justice Rares made separate and distinct findings regarding Mr. Ashby and Mr, Harmer, so each presently is being separately legally represented in this Application.

Harmers Workplace Lawyers continues to represent Mr. Ashby in his sexual harassment case against Mr. Slipper.

Neither Mr. Ashby nor Mr. Harmer is available for interview.
